

03

A 10x10 grid of dots representing a 100-point scale. The dots are arranged in a grid where the first row has 10 dots, the second row has 9 dots, and so on, down to the tenth row which has 1 dot. This represents a total of 55 dots, which is not 100. However, the caption indicates it is a 100-point scale. Re-examining the grid, it appears to be a standard 10x10 grid of 100 dots, with some dots missing in the lower right quadrant. The dots are arranged in a pattern that suggests a 10x10 grid, but the total count is less than 100. The caption states it is a 100-point scale, so we will assume it represents 100 points.
